The same stamps were issued from GG01 at Autumn Stampex 2016, 14 to 17-Sep-16, no overprint, except Datastring B9GB16 GG01
The original stock was made with a glossy surface finish, causing jamming problems in the printers. Walsall re-printed the stock without the surface coating. So the Autumn Stampex 2016 stamps are a new issue - as such they have been given full catalogue status and shown below.
